Dear Douglas:

Because you are a staff or faculty member at the College of Charleston and a potential end user of the Battery System, you were chosen to participate in this research study. The study will examine the relationship between an organization's context and its members' readiness to adopt change. To date, very little formal research has been conducted in this area.

You may access the on-line survey by clicking here or cutting a pasting this url into a browser: <http://www.newresearch.org/battery.asp?sid=w61cAvAzWS>

 Please complete the survey by April 28, 2010. The completion of your survey is critical to ensure meaningful results of the study. Remember that if you choose to participate in the study you will be entered in a **raffle to win a \$100 gift certificate to the restaurant of your choice**.

Please note that your name does not appear on the survey to ensure that your participation and responses are kept confidential. The tracking number associated with the survey is for follow-up purposes only.

If you have any questions about the study or survey, please contact me at (843) 953-6446 or via e-mail at desplacesd@cofc.edu. Thank you in advance for taking the time to complete the survey and for your participation in this study.

Sincerely yours,

David Desplaces
